

Dear President Thomas Muller,

I hope you and your family are well. It is unfortunate to hear the outbreak of COVID-19 in Germany and the impact to your life from the news. I know it is difficult moment for you and your family. Please accept the sincere sympathy and solidarity on behalf of our school and staff.

The situation in Wenzhou is getting better and better these days. In fact, most regions of China are now at low-risk of COVID-19 as the country is taking effective measures in prevention and control. And zero indigenous COVID-19 infections have been reported for more than a month in Wenzhou. Our students are expected to return to school in the near future. At the moment, we would like to assure you of our empathy and support. We believe Germany will also be able to overcome the disaster and restore the the country soon.

We sincerely wish you and your family good health, strength and confidence. Please give my best regards to Konstantin.

Sincerely,
Peng Laigui
